One man ' s extraordinary journey through the twentieth century and how he learned to read at age 98 “ Things will be all right. People need to hear that. Life is good, just as it is. There isn ' t anything I would change about my life. ” —George Dawson In this remarkable book, George Dawson, a slave ' s grandson who learned to read at age 98 and lived to the age of 103, reflects on his life and shares valuable lessons in living, as well as a fresh, firsthand view of America during the entire sweep of the twentieth century. Richard Glaubman captures Dawson ' s irresistible voice and view of the world, offering insights into humanity, history, hardships, and happiness. From segregation and civil rights, to the wars and the presidents, to defining moments in history, George Dawson ' s description and assessment of the last century inspires readers with the message that has sustained him through it all: “ Life is so good. I do believe it ' s getting better. ” WINNER OF THE CHRISTOPHER AWARD “ A remarkable autobiography . . . the feel-good story of the year. ” —The Christian Science Monitor “ A testament to the power of perseverance. ” —USA Today “ Life Is So Good is about character, soul and spirit. . . . The pride in standing his ground is matched—maybe even exceeded—by the accomplishment of [George Dawson ' s] hard-won education. ” —The Washington Post “ Eloquent . . .

Following a night of whisky-fuelled high jinks and a dramatic discovery, Trisha's future is changed forever.

An ode to the natural. Analogue and intimate nude photography from Berlin. Sometimes imperfect is the perfect. Sarah Zak's work represents exactly that. It's a refreshing honest pictorial of women made by women. No artificial posing, no stilted photoshop-bodies, just real images of girls that are anyhow a lot more attractive than anything that's artificially modified. This is an ode to naturalness. And so good to see in a world where anyhow so many things are edited to the utmost. (Christine Guggenberger).

Travel the world with Dennis Swaitkowski, a highly regarded young photographer, in this alluring collection of his fashion and landscape images. Growing up between the Netherlands and South Africa, Dennis Swiatkowski knew early on that sunny climates suited him best. As a result, much of his fashion photography emanates with warm, dreamy light. This gorgeous book features signature works including spreads in Glamour, Elle, and Vice and for brands such as Nike, Adidas, and Tommy Hilfiger. Many of these photographs feel like cinematic stills, capturing moments of a larger story. Others celebrate expansive landscapes--beaches, mountains, grassland, and forests. Together they show why this young photographer is one of the most sought-after in his field.

The unrivaled portfolio of one of the 20th century's great fashion photographers is examined in this survey featuring dazzling original prints from Parkinson's own archive From his first outdoor fashion shoot in 1935, Norman Parkinson's "moving pictures taken with a still camera" brought glamour and inventiveness to fashion photography. He set the New Look against the New York skyline, Quant dresses in swinging London, and Calvin Klein and Krizia in exotic locations from Tahiti to Tobago. "If a girl looks like a model, she is not for my lens," said Parks. He wanted energy and individuality, and found it in women like Wenda, the willowy actress he married in 1947, Celia Hammond, Jerry Hall, Iman, and Appollonia van Ravenstein. Parkinson's long association with Vogue and his numerous assignments for Harper's Bazaar, Queen, and other international magazines brought him fame and recognition?in return he gave the fashion world ineffable style and unforgettable images.

Voyeuristic, sun-drenched, and sexually charged, the photographs of Henrik Purienne offer high-fashion escapism. "What is an average day like for Henrik Purienne?" an interviewer once asked. "I wouldn't know," the South African photographer replied. Unless, of course, average can be defined as hedonistic, sun-drenched, and beachside. Draped across a vintage car or an unmade bed, rolling in the sand, or standing waist-high in an endless ocean, the subjects of Purienne's photographs convey a sexuality that's as nostalgic as it is au courant, at once innocent and sultry. The founder of Mirage magazine, Purienne always seems to have his camera pointed away from real life and toward a fantasy of beautiful girls with nothing on their minds but fun, and even less on their bodies. Paging through these stunning photographs, however, readers will appreciate Purienne's adroit staging and composition, ingenious use of light, and impeccable styling--all the skills that have made him one of today's most sought-after fashion photographers.

A raw and deeply personal poetry book that takes journal entries, scribbles on post-it notes, and fragments of private blog posts, from the last ten years of my life. Some I am proud of, others make me cringe. Alas, I release it all into the world in the hopes that there is something within it that will heal or inspire You.

From YouTube Star Anna Akana comes a collection of personal essays about everything from self-esteem and friendship to sex and career decisions. In 2007, Anna Akana lost her teen sister, Kristina, to suicide. In the years that followed, Anna realized that the one thing that helped her process her grief and begin to heal was comedy. So, she turned to stand-up comedy and YouTube as a form of creative expression. Now she relays the hard-won advice she herself could have used when she was younger. Tackling everything from falling in love to becoming financially independent to staying safe on the Internet, she opens up about mistakes she made when she was a teenager and what young women everywhere can learn from her.
