Jesus Still Loves Joe

The Gospels name brothers of Jesus; the Gospel of James, an apocryphal work of the late 2nd century, explained these as the sons of Joseph from an earlier marriage; this position is still held in the Orthodox churches, but in the Western church it was dropped in favour of Saint Jerome's argument that Joseph, like Mary, must have been a lifelong virgin, so that the "brothers" must have been his cousins. Perspectives on Joseph as a historical figure are distinguished from a theological reading ...

From "Old Five And Dimers Like Me" (1973)

Nineteen-year-old Joe ODell is about to learn he is not who he thinks

he is. Soon after being introduced to Betsy, a spirited coed unlike anyone he has met, Joe is abducted to a private, billion-dollar lab. There he discovers the unbelievable: he has been cloned from two-thousand-year-old burial lines that may have been Jesus Christs. Held captive, Joe watches his almost normal life through scenes recorded by a genius who wants to know if his clone is divine or not. Distraught, Joe flees. On his own, the once tender now broken soul welcomes darkness, even sin. The runaway never forgets Betsy who, after just one meeting, becomes a light to him, a beacon. Joe also remembers his college roommate, a modern-day matchmaker with his own struggle. When he returns to the life he knew, Joe reconnects with his dad and the old neighborhood that now includes new faces. Before being called to help one special person become one great minister someday, Joe touches everyone around him with his truth: God is within each of us. Jesus Cloned is a gentle, often funny, scientifically engaging, irrevocably sweet and heartwarming journey. Through their losses and gains, Joe and those closest to him reveal to themselves and to all of us how far Gods love reaches, and how much that love heals.

We often anticipate the reward that is promised to us by the Lord. I am guilty myself; having thought that hes not a man that doesnt make unfulfilled promises. On the other hand, I never understood the

essence in its fullest, that condition applies. In order for us to obtain his benefits, we have to adhere to his guidelines. We are the hindrances to our own blessings. What could have caused our blessings to be held up, much more in the branches of the trees? Matthew 6:33 is a perfect example, But seek ye first the Kingdom of God and his righteousness; and all these things shall be added unto you. Instead we do the opposite by going ahead of Gods plans, and then unexpectedly there is a delay. After we have realized the promises are not forthcoming, we remind the Lord of his unfulfilled promises. In BLESSINGS HELD UP IN THE BRANCHES OF THE TREES, we will learn how to regain possession of what is rightfully ours. We need to apply all those principles outlined to us on a given day. I guarantee we will never be the same again.

"Your Cry Have Been Heard" has a message the world needs to hear, a message of hope from people who have been lost, experienced deep pain, who have been in the bottom of the pit and have found the way out to let us know that no matter who we are, no one is beyond God's reach.

It is a unique book filled with wisdom and love, a book that will impact its readers - and with enough readers, will have a positive impact on society as a whole to make this world a better place for all of us to live in. In the fifty plus years I have walked with God, I have seen times change. The world is no longer a place where even children and youth can feel safe and secure. Abuse increases, crime is in the news daily, horror stories I can't fathom. God's Word predicts this - evil will increase in the end times. Beth Michael I don't get easily touched by writers except for the likes of Ted Dekker. YOUR CRY HAS BEEN HEARD is everything I imagined and much more. With its insight, candor, personal tragedies and triumphs this book will mesmerize the reader and go a long way in redeeming many hearts to the throne of grace. God's signature is clearly with this Ministry; it shall come to pass that this book will be published successfully and our goal to touch as many hearts as possible will succeed beyond our wildest dreams. Lawan Baldwin Your Cry Has Been Heard Would you buy this book Yes, certainly, and would try to get it into our schools, libraries, and colleges. This book will touch your heart and open your eyes! In My People, the Amish, Joe Keim paints a detailed picture of life

behind the bonnets and buggies. More than a biography, this is an honest look at the heart-warming traditions that mingle with the deep-rooted legalism of the Amish community in Ashland, Ohio. Born, raised, and baptized in an Old Order Amish church, from childhood Joe Keim was taught that if he didn't follow the twenty-two-page ordinance letter that governed his community, there was no way he could get to heaven. What started as a path of rebellion led Joe and his wife Esther to a caring group of Englisher Christians who would love them like family and show them how to live out their new found faith in Jesus Christ. Nine months after their traditional Amish wedding, Joe and Esther left family and friends forever to live openly for Christ, and endured shunning and excommunication with bold faith. Since then, the Lord has brought many former Amish people to Joe and Esther for help. Because of their passion for the Amish people and with the support of fellow believers, they have brought biblical truth to thousands of Amish through the ministry they founded in 2000, Mission to Amish People (MAP).

Joe's Trip Around the Sun is a novel for anyone who has ever felt the apparent conflict between religion and the discoveries of modern science. It tells the story of everyman Joe Gray, a humble trucker desperate to find evidence for the spiritual world and his own place within it. Lonely in his reluctant agnosticism, yet inspired by a persistent sense of the metaphysical, Joe must endure a harrowing journey beset with mind-bending technological obstacles, heartbreaking setbacks, and near-death experiences, before he has any chance of uncovering the truth. But will it be in time to be reunited with the love of his life? Will this newfound understanding enable him to overcome a dark evil that has grown to threaten the world? Joe's Trip Around the Sun blurs the line between the physical and spiritual worlds to the point where the reader may question the existence of that demarcation altogether.
