Synopsis Sonny Lofthus has been in prison for almost half his life: serving time for crimes he didn't commit. In exchange, he gets an uninterrupted supply of heroin—and a stream of fellow prisoners seeking out his Buddha-like absolution. Years earlier Sonny's father, a corrupt cop, took his own life rather than face exposure.

"Sonny Lofthus is a strangely charismatic and complacent young man. He's been in prison for a dozen years. The inmates who seek out his uncanny abilities to soothe leave his cell feeling absolved. They don't know or care that Sonny has a serious heroin habit-- or where or how he gets his uninterrupted supply of the drug. Or that he's serving time for other peoples' crimes. Sonny took the first steps toward addiction when his father took his own life rather than face exposure as a corrupt cop. But when he learns a stunning, long-hidden secret concerning his father, he makes a brilliantly executed escape from prison and begins hunting down those responsible for the crimes against him." Book Jacket

INTERNATIONAL BESTSELLER □ From the author of the bestselling Harry Hole series comes an electrifying tale of vengeance set amid Oslo's brutal hierarchy of corruption. "The crime author of the moment."—The New York Times Book Review Sonny Lofthus has been in prison for almost half his life: serving time for crimes he didn't commit. In exchange, he gets an uninterrupted supply of heroin—and a stream of fellow prisoners seeking out his Buddha-like absolution. Years earlier Sonny's father, a corrupt cop, took his own life rather than face exposure. Now Sonny is the center of a vortex of corruption: prison staff, police, lawyers, a desperate priest—all of them focused on keeping him stoned and jailed. When Sonny discovers a shocking truth about his father's suicide, he makes a brilliant escape and begins hunting down the people responsible for his and his father's demise. But he's also being hunted, and by enemies too many to count. Two questions remain: who will get to him first, and what will he do when he's cornered?

A brand new thriller from #1 internationally bestselling crime author Jo Nesbo, which sees a charismatic young prisoner escaping jail to find out the truth about his father's death. Sonny is a model prisoner. He listens to the confessions of other inmates at Oslo jail, and absolves them of their sins. Some people even whisper that Sonny is serving time for someone else: that he doesn't just listen, he confesses to their crimes. Inspector Simon Kefas is a dedicated police officer. Simon has worked for the Oslo police force for years. He's just been assigned a new murder investigation and a new partner, all on the same day. Both of them knew Sonny's father. To Sonny he was the man he idolised, to Kirk he was his best friend. Both were devastated when his corruption was revealed. But neither of them knew the truth.

'Nesbo deserves to be crowned the king of all crime thriller writers' Sunday Express SONNY'S ON THE RUN Sonny is a model prisoner. From the #1 New York Times bestselling author of *Cockroaches*, a "forcefully written story of personal defeat, despair, and salvation" (The New York Times Book Review) about a man with one small problem—his former boss, Oslo's most notorious drug kingpin, wants him dead. "A fun read, with a likable protagonist and a brisk, page-turning pace." —Los Angeles Times Ulf was once the kingpin's fixer, but after betraying him, Ulf is now the one his former boss wants fixed. Hiding out at the end of the line in northern Norway, Ulf lives among the locals. A mother and son befriend him, and their companionship stirs something deep in him that he thought was long dead. As he awaits the inevitable arrival of his murderous pursuers, he questions if redemption is at all possible or if, as he's always believed, "hope is a real bastard."

From the #1 New York Times bestselling author of *Cockroaches*, Olav Johansen is a walking contradiction: a cold-blooded killer with a heart of gold. This was not a problem—until he fell for his boss's wife... "Nesbø's much-heralded gifts are on display." —The New York Times Book Review Olav is a fixer for a high-profile crime kingpin in 1970s Oslo. He easily takes care of anyone who causes trouble for his boss. But he is more complicated than he seems. Olav's latest job puts him at the pinnacle of his trade, but it may become his greatest mistake: It turns out that the more you know about your boss's business, the more your boss might want you fixed yourself—especially if you're falling for his wife.

INTERNATIONAL BESTSELLER □ A tense and atmospheric standalone thriller about two brothers, one small town, and a lifetime of dark secrets, from the bestselling author of the Harry Hole novels. "I read *The Kingdom* and couldn't put it down ... Suspenseful ... Original ... This one is special in every way."—Stephen King, acclaimed internationally bestselling author Roy and Carl, brothers from a small mountain town, have spent their whole lives hiding from the darkness in their pasts—Roy by staying put and staying quiet, and Carl by running far away. Roy believed his little brother was gone for good. But Carl has big plans for his hometown. And when he returns with a mysterious new wife and a business opportunity that seems too good to be true, simmering tensions begin to surface and unexplained deaths in the town's past come under new scrutiny. Soon powerful players set their sights on taking the brothers down by exposing their role in the town's sordid history. But Roy and Carl are survivors, and no strangers to violence. As the town's long-buried past begins to surface, Roy will be forced to choose between his own flesh and blood and a future he had never dared to believe possible.

INTERNATIONAL BESTSELLER □ Inspector Harry Hole tracks a Norwegian serial killer in this "fiendishly complex and terrifically entertaining" (The New York Times Book Review) installment of the New York Times bestselling series. "Maddeningly addictive." —Vanity Fair One night, after the first snowfall of the year, a boy named Jonas wakes up and discovers that his mother has disappeared. Only one trace of her remains: a pink scarf, his Christmas gift to her, now worn by the snowman that inexplicably appeared in their yard earlier that day. Inspector Harry Hole suspects a link between the missing woman and a suspicious letter he's received. The case deepens when a pattern emerges: over the past decade, eleven women have vanished—all on the day of the first snow. But this is a killer who makes his own rules ... and he'll break his pattern just to keep the game interesting, as he draws Harry ever closer into his twisted web. With brilliantly realized characters and hair-raising suspense, international bestselling author Jo Nesbø presents his most chilling case yet—one that will test Harry Hole to the very limits of his sanity.

"Ingeniously twisted." —Entertainment Weekly, "Must List" "Will leave even the most seasoned crime fiction readers guessing." —CrimeReads "[Jeong] maintains suspense about her inhuman-seeming protagonist's fate until the bitter end." —The Wall Street Journal Finalist for The Tonight Show Starring Jimmy Fallon's "Summer Reads" Book Club The Talented Mr. Ripley meets *The Bad Seed* in this breathless, chilling psychological thriller by the #1 bestselling novelist known as "Korea's Stephen King" Who can you trust if you can't trust yourself? Early one morning, twenty-six-year-old Yu-jin wakes up to a strange metallic smell, and a phone call from his brother asking if everything's all right at home – he missed a call from their mother in the middle of the night. Yu-jin soon discovers her murdered body, lying in a pool of blood at the bottom of the stairs of their stylish Seoul duplex. He can't remember much about the night before; having suffered from seizures for most of his life, Yu-jin often has trouble with his memory. All he has is a faint impression of his mother calling his name. But was she calling for help? Or begging for her life? Thus begins Yu-jin's frantic three-day search to uncover what happened that night, and to finally learn the truth about himself and his family. A shocking and addictive psychological thriller, *The Good Son* explores the mysteries of mind and memory, and the twisted relationship between a mother and son, with incredible urgency. Named a Must-Read Book of the Summer by Elle, Entertainment Weekly, Vulture, Bustle, CrimeReads, Lit Hub, The Millions, Electric Literature, and Brit + Co
