Offers reproducible double-sided sheets to help first grade students improve their language arts, reading, and math skills and prepare for standardized tests.

We believe kids get better at math with practice, resulting in confidence and positive attitude towards math that is required to excel in school. This workbook provides kids with additional math practice that reinforces and complements what is taught at school. There are no pictures or word problems, and focus on mastery of basic addition and subtraction. This workbook combines traditional addition and subtraction math problems, with number bond problems. Many elementary schools teach math using Number Bonds, and we want kids to have practice on both traditional math questions and number bonds to build fluency and speed in basic arithmetic.

Builds both math and test-taking skills with problem-solving demonstrations and drill pages that feature both new skills and a review. Includes 96 cut-apart flash cards and answer keys.

This Book provides engaging activities that motivate children to learn fundamental math skills. Children will be encouraged to learn about basic math by cute unicorn cartoons. Our fun and functional daily counting lessons will help improve math skills. Simple, straightforward activities make it easy for parents to guide their children. Suitable for Parents to teach their children at home. Free Bonus : How to handle your children Book inside.

This is a perfect supplement to any classroom math curriculum. The book covers 40 weeks of daily practice. It includes 4 math exercises a day for four days a week. A separate assessment is included with every exercise.
