With a new introduction, Phil Jackson’s modern classic of motivation, teamwork, and Zen insight is updated for a whole new readership “Not only is there more to life than basketball, there’s a lot more to basketball than basketball.” --Phil Jackson Eleven years ago, when Phil Jackson first wrote these words in Sacred Hoops, he was the triumphant head coach of the Chicago Bulls, known for his Zen approach to the game. He hadn’t yet moved to the Los Angeles Lakers, with whom he would bring his total to an astounding nine NBA titles. In his thought-provoking memoir, he revealed how he directs his players to act with a clear mind--not thinking, just doing; to respect the enemy and be aggressive without anger or violence; to live in the moment and stay calmly focused in the midst of chaos; to put the “me” in service of the “we”--all lessons applicable to any person’s life, not just a professional basketball player’s. This inspiring book went on to sell more than 400,000 copies. In his new introduction, Jackson explains how the concepts in Sacred Hoops are relevant to the issues facing his current team--and today’s reader.

Chicago Bulls coach Phil Jackson shares his experience of combining sports and spirituality to lead his team to success, explaining how to nurture a positive group dynamic and detailing the methods he uses to teach his players how to think collectively, overcome anger, and look beyond jealousy. Reprint.

“Through candor and comprehensiveness, Jackson writes a convincing revisionist take, in which he emerges as an excellent coach . . . highly readable . . . reflects Jackson’s polymathy.” —The New York Times Book Review “Part sports memoir, part New Age spirit quest, part pseudo-management tract . . . But the primary thing with Jackson—as with all the old bards, who were also known for repeating themselves—is the voice.” —Sam Anderson, The New York Times Magazine A New York Times Bestseller The inside story of one of basketball’s most legendary and game-changing figures During his storied career as head coach of the Chicago Bulls and Los Angeles Lakers, Phil Jackson won more championships than any coach in the history of professional sports. Even more important, he succeeded in never wavering from coaching his way, from a place of deep values. Jackson was tagged as the “ Zen master ” half in jest by sportswriters, but the nickname speaks to an important truth: this is a coach who inspired, not goaded; who led by awakening and challenging the better angels of his players’ nature, not their egos, fear, or greed. This is the story of a preacher’s kid from North Dakota who grew up to be one of the most innovative leaders of our time. In his quest to reinvent himself, Jackson explored everything from humanistic psychology and Native American philosophy to Zen meditation. In the process, he developed a new approach to leadership based on freedom, authenticity, and selfless teamwork that turned the hypercompetitive world of professional sports on its head. In Eleven Rings, Jackson candidly describes how he: • Learned the secrets of mindfulness and team chemistry while playing for the champion New York Knicks in the 1970s • Managed Michael Jordan, the greatest player in the world, and got him to embrace selflessness, even if it meant losing a scoring title • Forged successful teams out of players of varying abilities by getting them to trust one another and perform in sync • Inspired Dennis Rodman and other “ uncoachable ” personalities to devote themselves to something larger than themselves • Transformed Kobe Bryant from a rebellious teenager into a mature leader of a championship team. Eleven times, Jackson led his teams to the ultimate goal: the NBA championship—six times with the Chicago Bulls and five times with the Los Angeles Lakers. We all know the legendary stars on those teams, or think we do. What Eleven Rings shows us, however, is that when it comes to the most important lessons, we don’t know very much at all. This book is full of revelations: about fascinating personalities and their drive to win; about the wellsprings of motivation and competition at the highest levels; and about what it takes to bring out the best in ourselves and others.

Almost thirty years after its initial publication, Paula Gunn Allen’s celebrated study of women’s roles in Native American culture, history, and traditions continues to influence writers and scholars in Native American studies, women’s studies, queer studies, religion and spirituality, and beyond This groundbreaking collection of seventeen essays investigates and celebrates Native American traditions, with special focus on the position of the American Indian woman within those customs. Divided into three sections, the book discusses literature and authors, history and historians, sovereignty and revolution, and social welfare and public policy, especially as those subjects interact with the topic of Native American women. Poet, academic, biographer, critic, activist, and novelist Paula Gunn Allen was a leader and trailblazer in the field of women’s and Native American spirituality. Her work is both universal and deeply personal, examining heritage, anger, racism, homophobia, Eurocentrism, and the enduring spirit of the American Indian.

An inside look at the season that proved to be the final ride of a truly great dynasty—Kobe Bryant, Shaq, and the LA Lakers For the countless basketball fans who were spellbound by the Los Angeles Lakers’s 2003–2004 high-wire act, this book is a rare and phenomenal treat. In The Last Season, Lakers coach Phil Jackson draws on his trademark honesty and insight to tell the whole story of the season that proved to be the final ride of a truly great dynasty. From the signing of future Hall-of-Famers Karl Malone and Gary Payton to the Kobe Bryant rape case/media circus, this is a riveting tale of clashing egos, public feuds, contract disputes, and team meltdowns that only a coach, and a writer, of Jackson’s candor, experience, and ability could tell. Full of tremendous human drama and offering lessons on coaching and on life, this is a book that no sports fan can possibly pass up.

In The Four Sacred Gifts, visionary international business consultant Anita Sanchez, PhD, reveals the timely prophecy entrusted to her by a global collective of indigenous elders—four guiding gifts that “ will allow you to set yourself free to live your most successful life...learn how to forgive, to heal, to unite with all life, and to revitalize hope ” (Jack Canfield, co-author of Chicken Soup for the Soul). As we ride the powerful waves of change occurring in our economic, social, political, and physical environment, indigenous wisdom is needed—now more than ever—to guide us to inhabit the fullest and healthiest lives possible. The Four Sacred Gifts opens your mind and heart to an indigenous worldview that will ultimately free you from fear and empower you to find peace even in the conflicts of our tumultuous world. Based on a prophecy that is now coming true, this book reveals how our world depends on each of us discovering a interconnectedness to people, earth, and animals, in the awareness that we are “ all one relation. ” Within these pages, you will find deep wisdom of elders from all continents as they come together to give you four sacred gifts: the power to forgive the unforgivable, the power of unity, the power of healing, and the power of hope. These gifts will guide you to transformation, and support your journey to wholeness. By following the powerful principles, lessons, and tools found in this book, you will experience personal breakthroughs, become a force for conscious, societal evolution, and learn to live in deeper harmony with all of humanity.

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, The Absolutely True Diary of a Part-Time Indian, which is based on the author’s own experiences, coupled with poignant drawings by Ellen Forney that reflect the character’s art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

“This vibrant book of wonders speaks true and dreams deep. Writing with blazing honesty she tells of her hard-won knowledge of many of the world’s spiritual and healing traditions, while hold the Sacred Hoop of Natie Amreicanwisdom. This magnificent teacher becomes for us a new embodiment of White Buffalo Woman.” Jean Houston Author of THE SEARCH FOR THE BELOVED BUFFALO WOMAN COMES SINGING explores fascinating uses of traditions like the Medicine Wheel; healing through ritual action; dreamtime; and the moon lodge -- the woman’s place of retreat and visioning. These powerful personal tools integrate ancient wisdom with contemporary experience, as Buffalo Woman calls each spiritual warrior to her own true place in the dance of life.

A brilliant, kaleidoscopic narrative of Oklahoma City—a great American story of civics, basketball, and destiny, from award-winning journalist Sam Anderson NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • NPR • Chicago Tribune • San Francisco Chronicle • The Economist • Deadspin Oklahoma City was born from chaos. It was founded in a bizarre but momentous “ Land Run ” in 1889, when thousands of people lined up along the borders of Oklahoma Territory and rushed in at noon to stake their claims. Since then, it has been a city torn between the wild energy that drives its outsized ambitions, and the forces of order that seek sustainable progress. Nowhere was this dynamic better realized than in the drama of the Oklahoma City Thunder basketball team’s 2012-13 season, when the Thunder’s brilliant general manager, Sam Presti, ignited a firestorm by trading future superstar James Harden just days before the first game. Presti’s all-in gamble on “ the Process ” —the patient, methodical management style that dictated the trade as the team’s best hope for long-term greatness—kicked off a pivotal year in the city’s history, one that would include pitched battles over urban planning, a series of cataclysmic tornadoes, and the frenzied hope that an NBA championship might finally deliver the glory of which the city had always dreamed. Boom Town announces the arrival of an exciting literary voice. Sam Anderson, former book critic for New York magazine and now a staff writer at the New York Times magazine, unfolds an idiosyncratic mix of American history, sports reporting, urban studies, gonzo memoir, and much more to tell the strange but compelling story of an American city whose unique mix of geography and history make it a fascinating microcosm of the democratic experiment. Filled with characters ranging from NBA superstars Kevin Durant and Russell Westbrook; to Flaming Lips oddball frontman Wayne Coyne; to legendary Great Plains meteorologist Gary England; to Stanley Draper, Oklahoma City’s would-be Robert Moses; to civil rights activist Clara Luper; to the citizens and public servants who survived the notorious 1995 bombing of the Alfred P. Murrah federal building, Boom Town offers a remarkable look at the urban tapestry woven from control and chaos, sports and civics.

Recounts the life and achievements of the troubled 1970s basketball star, from his relationship with his obsessive father and unbroken college scoring record to the personal demons that challenged his life and his evangelical Christian faith.
