Luckily, THE RAVEN PRINCE gave me some faith in Elizabeth Hoyt and I'm grateful because THE LEOPARD PRINCE is a wonderful book and its hero, Harry Pye, is delicious. He is absolutely an alpha male, and it takes a whole lot of inner alpha to close the gap that separates a talented land steward from his aristocratic employer.

Book 2 of The Prince series and it's every bit as good as book 1 - well what else would you expect from the very talented mind of Ms Hoyt - and, although this is a trilogy, each book is a stand-alone book with the only connection being a nursery story about a Prince running through each one.

Featuring a foreword by Beyoncé Knowles-Carter. When Prince wanted to document his One Nite Alone tour in 2002, he turned to Afshin Shahidi. Again in 2004, he went along on Prince's record breaking Musicology Tour. Afshin met Prince in 1989 and became his cinematographer and later his photographer. He was the photographer closest to Prince for the last fifteen years of Prince's life. Afshin is the only photographer to shoot the legendary 3121 private parties in Los Angeles that became the most sought after invitations in Hollywood. Prince: A Private View compiles his work into a journey through Prince's extraordinary life. With many never-before-seen photos, this is the ultimate collection of – some intimate, some candid, some in concert – shots of Prince, but all are carefully directed in the artist-as-art style that we associate with him. Deep photo captions are brief, but complete stories about Prince's life at that moment - some are incisive, others are personal and even funny.

Tanus is the fair-haired young lion of a warrior whom the gods have decreed will lead Egypt's army in a bold attempt to reunite the Kingdom's shattered halves. But Tanus will have to defy the same gods to attain the reward they have forbidden him, an object more prized than battle's glory: possession of the Lady Lostris, a rare beauty with skin the color of oiled cedar--destined for the adoration of a nation, and the love of one extraordinary man. International bestselling author Wilbur Smith, creator of over two dozen highly acclaimed novels, draws readers into a magnificent, richly imagined Egyptian saga. Exploding with all the drama, mystery, and rage of ancient Egypt, River God is a masterpiece from a storyteller at the height of his powers.

The brilliant #1 New York Times bestseller Named a best book of 2020 by The New York Times, The Washington Post, TIME, The Guardian, and many more With The Mirror & the Light, Hilary Mantel brings to a triumphant close the trilogy she began with her peerless, Booker Prize-winning novels, Wolf Hall and Bring Up the Bodies. She traces the final years of Thomas Cromwell, the boy from nowhere who climbs to the heights of power, offering a defining portrait of predator and prey, of a ferocious contest between present and past, between royal will and a common man's vision: of a modern nation making itself through conflict, passion and courage. The story begins in May 1536: Anne Boleyn is dead, decapitated in the space of a heartbeat by a hired French executioner. As her remains are bundled into oblivion, Cromwell breakfasts with the victors. The blacksmith's son from Putney emerges from the spring's bloodbath to continue his climb to power and wealth, while his formidable master, Henry VIII, settles to short-lived happiness with his third queen, Jane Seymour. Cromwell, a man with only his wits to rely on, has no great family to back him, no private army. Despite rebellion at home, traitors plotting abroad and the threat of invasion testing Henry's regime to the breaking point, Cromwell's robust imagination sees a new country in the mirror of the future. All of England lies at his feet, ripe for innovation and religious reform. But as fortune's wheel turns, Cromwell's enemies are gathering in the shadows. The inevitable question remains: how long can anyone survive under Henry's cruel and capricious gaze? Eagerly awaited and eight years in the making, The Mirror & the Light completes Cromwell's journey from self-made man to one of the most feared, influential figures of his time. Portrayed by Mantel with pathos and terrific energy, Cromwell is as complex as he is unforgettable: a politician and a fixer, a husband and a father, a man who both defied and defined his age.

Pretending I'm not getting addicted to the way she can't stop kissing me when no one's looking? Try impossible. Then she starts letting me in, showing me the sweet side she keeps hidden under her tough girl exterior. Ruining me for all other women. Being royal, I always knew very little would ever be just mine. Becoming a spy, I understood the future wouldn't be guaranteed. For Alexandria, I'm going to fight for both. □The RUGGED & ROYAL Series: - The Playboy Prince - The Grumpy Prince - The Bossy Prince
