The Moon Stealers And The

The Moon Stealers and the Quest for the Silver Bough is fast paced and features a lot of action. There are a fair number of deaths with some descriptions that are just detailed enough to elicit an 'eww' from most readers, but not quite gruesome enough to bring on nightmares. If it was a movie its mild slime factor would earn a PG rating.

The Moon Stealers The Everlasting Night lacks the epic battles of the second book. It's more of a mystery thriller that requires more thought from its readers. That said there are still plenty of harrowing situations, not all of which favor the lead characters. If it was a movie these scenes would earn a PG rating.
